

279 COTTON MIX 80/20

NATURAL BLEND BATTING, SOFT AND STABLE

New
release

Dimensions: queen-size 220 x 270 cm and 244 cm x 22 m

80% cotton, 20% polyester // 135 g/m² // natural //  

279 Cotton Mix 80/20 is a needle punched wadding out of 80% cotton and 20% polyester. It has the added support of a scrim, allowing an excellent combination of a soft hand feel and a lightweight construction while still providing significant stability and support.

279 Cotton Mix 80/20 was especially developed for quilts but is also very well suitable for lightweight jackets.

To create a durable and high quality product, we recommend a distance between seams of maximum 20 cm.

279 Cotton Mix 80/20 is a natural product requiring a certain attention at care treatment. To avoid shrinkage we suggest to soak batting, prior to use, in hot water.

Please do not wring when wet, only squeeze smoothly and let it dry while lying flat.

VLIESELINE / VILENE INTERFACINGS

FIRST CHOICE FOR CREATIVE NEEDLEWORK – HOWEVER AMBITIOUS YOUR PROJECT

Vlieseline / Vilene Interfacings contain all the knowledge and experience gathered from years of production at Freudenberg. Our range of Interfacings provide shape and support to garments and to creative and decorative work and you can be sure always to find the right product for your project.

Whether you want to create blouses, shirts or jackets and no matter what kind of fabric you use – you can choose from our selection of HIGH-QUALITY IRON-ON AND SEW-IN WOVEN AND NONWOVEN INTERLININGS.

VILENE TAPES are your 'Speedy Helper' when your project needs shape, support and stabilization during and after sewing. All our tapes are easy to iron-on, and they are time-saving and efficient.

The VILENE CREATIVE RANGE is ideally suited for all kind of handicraft work like creative applications, embroideries, bags, patchwork and quilts and other textile craft work. You can even create your own individually designed outer fabric.

VILENE VOLUME FLEECE is the right choice for many craft, garment and patchwork projects. Available in a range of thicknesses: soft high bulk, compressed and soft, slightly lofty, you find a selection of Sew-in and Iron-on.

Vlieseline / Vilene Brandname Interlinings – the ideal interlining for every application, versatile use and genuine only with the Trademarks. For more information please check out our website www.vlieseline.com, where you will find many 'How-to Videos' showing you exactly how to apply the various qualities.

BEFORE YOU START PROCESSING THE INTERLINING, WE RECOMMEND MAKING AN IRONING SAMPLE TO CHECK THE HANDLE AND THE BOND.
